· **Control From Anywhere**

Turn your smart plug on and off, set schedules or scenes from anywhere with your smartphone using the Kasa Smart app.

· **Set Schedules**

Schedule any device connected to the Kasa Smart Wi-Fi Plug Mini to automatically switch on or off if you're home or away.

· **No Hub Required**

The Smart Plug works with a secured 2.4GHz wireless network without the need for a separate hub.

· **Voice Control**

Use simple voice commands with your smart plug and any Alexa, Google Assistant.

· **Compact Design**

The compact design of the Kasa Smart Wi-Fi Plug is smaller than other smart plugs and allows them to be stacked in the same outlet.

· **Grouping**

Use Grouping to combine your smart plug with other Kasa Smart devices for seamless control with one single tap on your smartphone.
