)))) Voice Control

📶 Remote Control

📅 Scheduling

⟳ Auto-Off Timer

Highlights

Matter-Certified

With Matter support, using one app to control all smart devices is no longer a fantasy. Integrate KS205 into your favorite ecosystems to create a unified smart home.

Note:
1. The Kasa Smart app will upgrade to be Matter-Compatible in 2023.
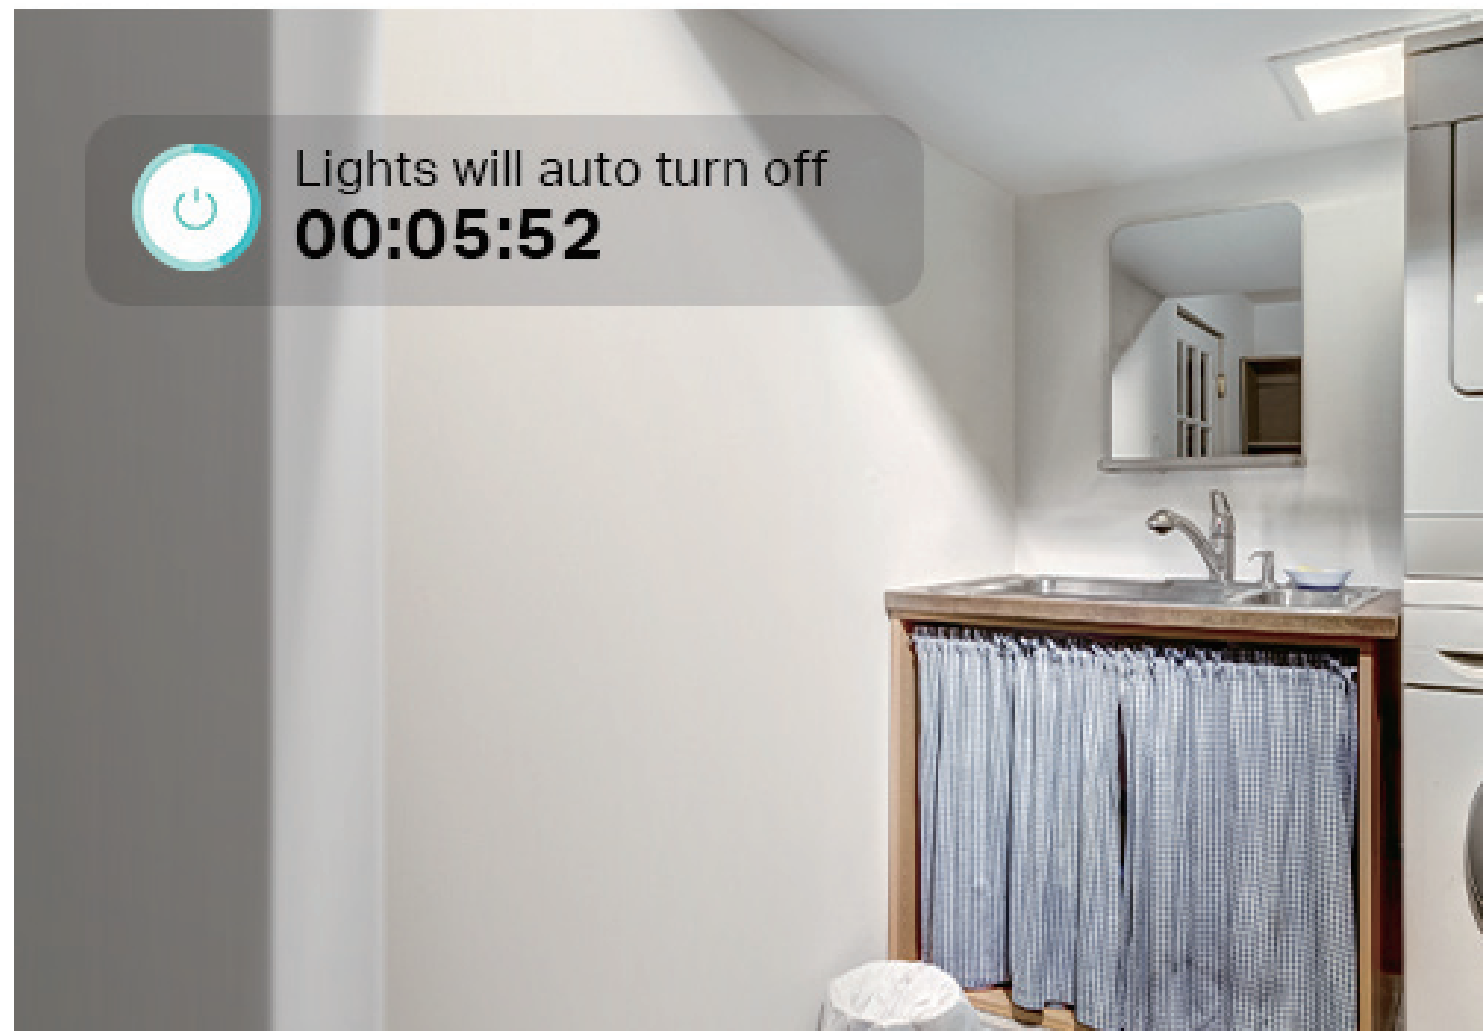

Voice Control

Use simple voice commands with Alexa, Google Assistant, or any other Matter-compliant voice assistant to conveniently control connected lights without leaving your spot.

Hey Siri®, turn off the living room light.

Highlights

Auto-Off Timer

Automatically turns off your lights after they are left on for a set time. Ideal for laundry rooms, basements, and other areas you visit infrequently.

Lighting Schedule

Schedule your lights to turn on/off automatically according to your daily routine and preferences. This way you always walk into a well-lit house.
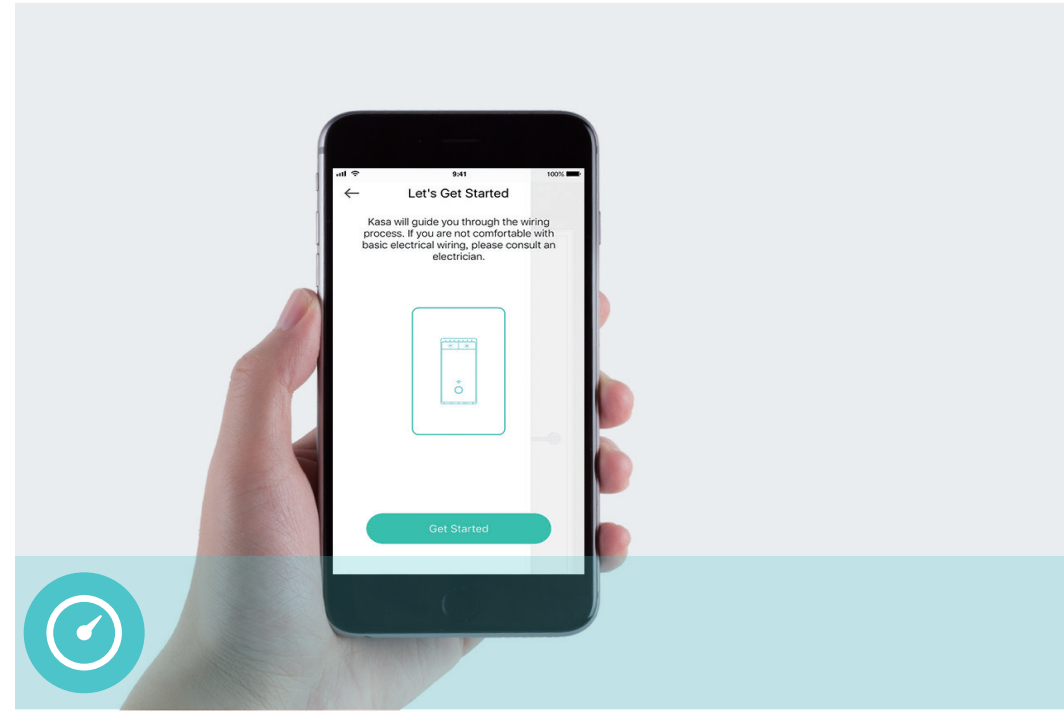

Features

Flexible Control

· **App Control** – Control your connected devices via the Kasa Smart app, or Apple Home app.

· **Remote Control** – Control your lights from anywhere with the Kasa Smart app. No more worrying about forgetting to turn off the lights.

· **Local Control** – Your connected devices in your local area network(LAN) remain accessible via the Kasa Smart app or other Matter-compatible smart home control centers, even when the household goes offline.

Smart Features

· **Away Mode** – Simulates someone being automatically turn on and off connected appliances, like lights, to make it appear as if your're home, so as to deter intruders.

· **Share to Family** – The Matter protocal enables family members to access your home's smart products through different control ecosystems.

· **Set Scenes** – Control multiple devices all at once for a customizable scene. Instantly set the perfect ambience for any activity.

Easy to Install

· **Guided Installation** – Follow a simple step-by-step in-app guide for installation.

· **No Hub Required** – Easily connect directly to your secured 2.4GHz home Wi-Fi network.

· **Led Indicator** – With an illuminating LED indicator, you'll always be able to find your smart light switch even when it's dark.

Specifications

Technical

· Input: 100-120V~ 50/60Hz

· Output: 15A General Use, 600W Incandescent, 120W Ceiling fan, 1/6 HP Motor

· Wi-Fi Frequency: 2.4 GHz

· Operating Temperature: 0 ºC ~ 40 ºC (32°F ~ 104°F)

· Operating Humidity: 10%~90%RH, Non-condensing

· Operation Type: Micro-Interruption

· Automatic Action: Type 1 Action

· Overvoltage Category : III

· Pollution Degree: 2

Requirements

· 2.4 GHz Wi-Fi, 802.11b/g/n, Bluetooth 4.2 for setup

· Free Kasa Smart app and account

· Neutral wiring in wall box required

· Standard lighting wall box (at least 2 inches deep)

General

· Dimensions: 5.06 x 3.33 x 1.28 in (128.65 x 84.65 x 32.43 mm)

· Weight: 0.24 lb (0.11 kg)

· For Indoor Use Only

· Certifications: FCC, IC, UL, RoHS

· Buttons: On/Off Switch, Restart, Reset

· Package Contents:

  1× Smart Wi-Fi Light Switch

  1× Wall Plate

  4× Wire Nuts

  1× Quick Start Guide

  4× Wire Labels

  1× Matter Setup Code Label

  * For Matter initial setup. Your can also find a Matter numeric setup code on your switch after you detach the wallplate.
