

# Smart Wi-Fi Light Switch, Dimmer

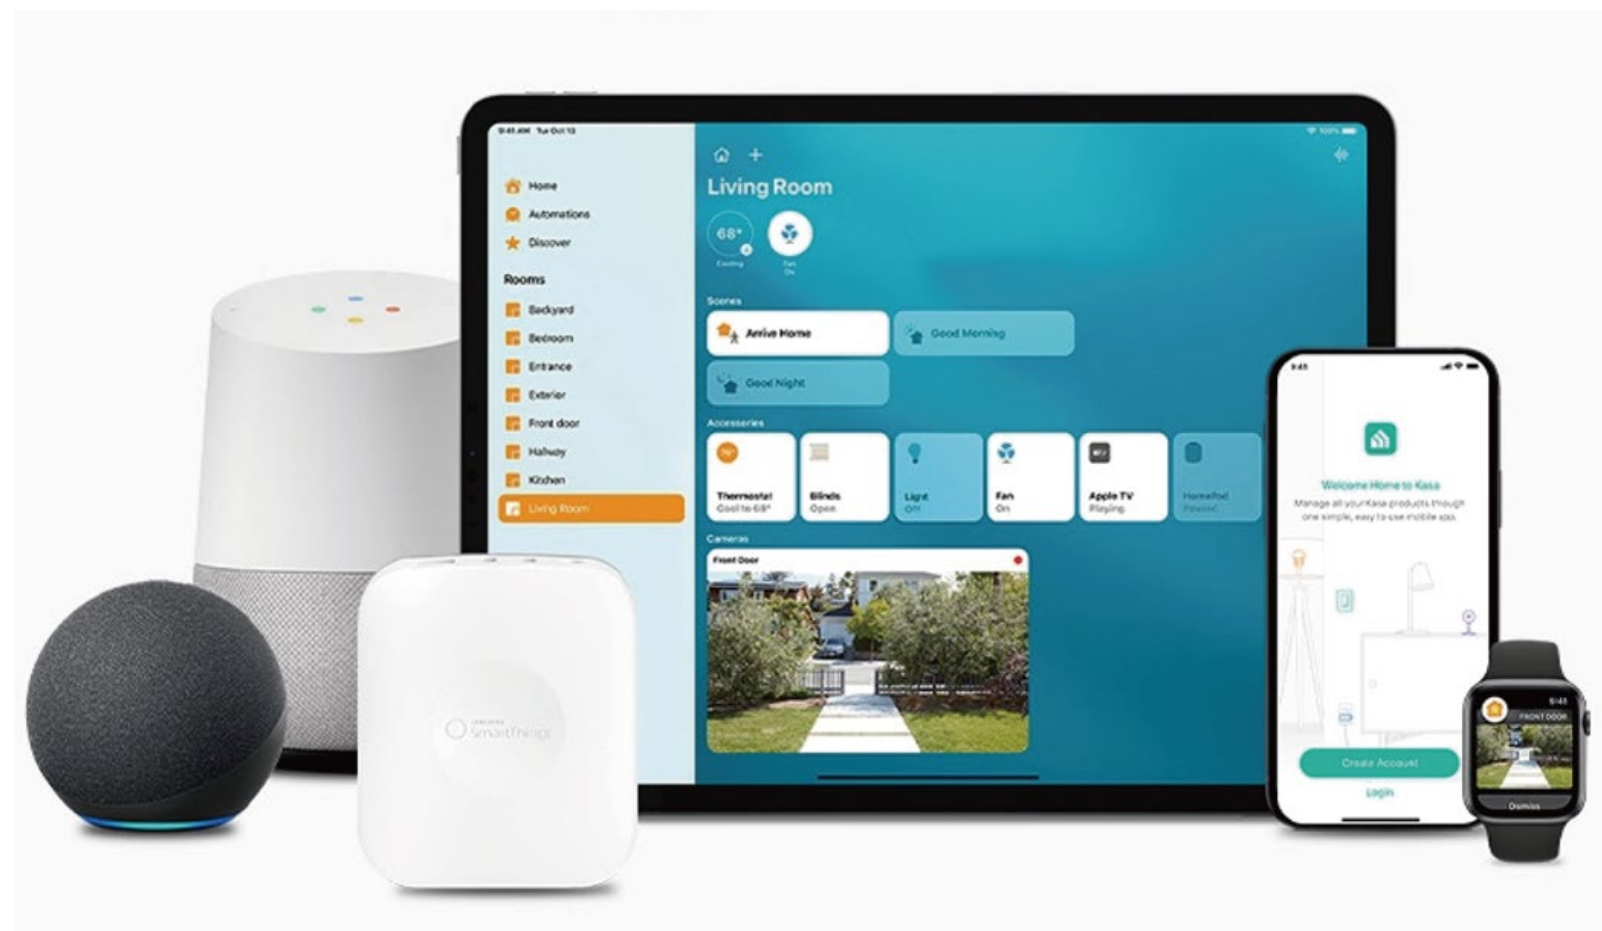

KS225

# Highlights

## Matter-Certified

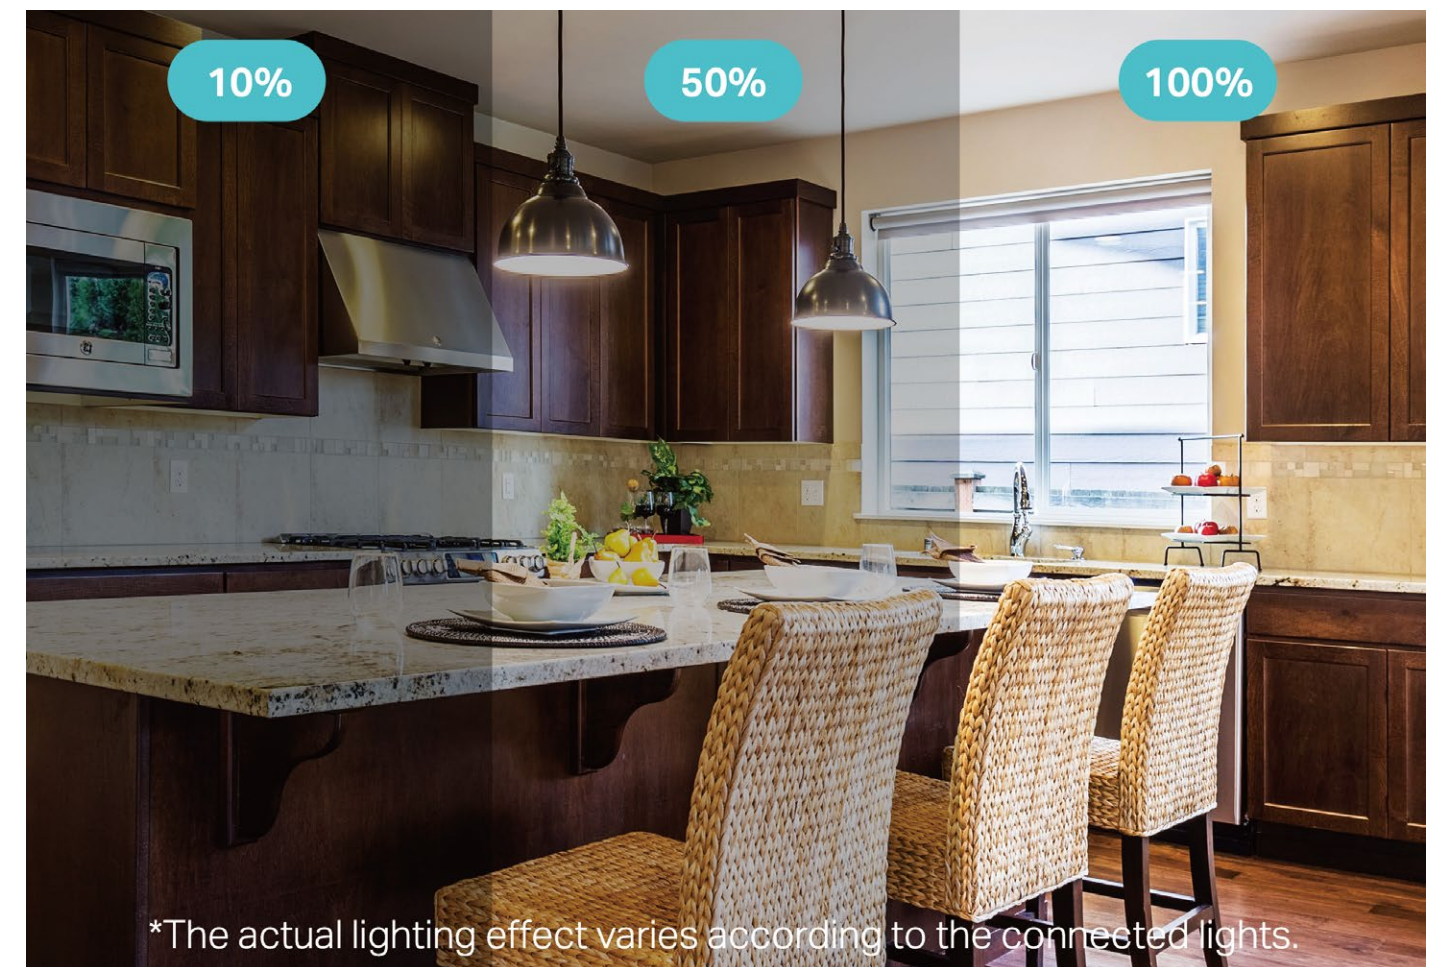

With Matter support, using one app to control all smart devices is no longer a fantasy. Integrate KS225 into your favorite ecosystems to create a unified smart home.

Note:  
1. The Kasa Smart app will upgrade to be Matter-Compatible in 2023.

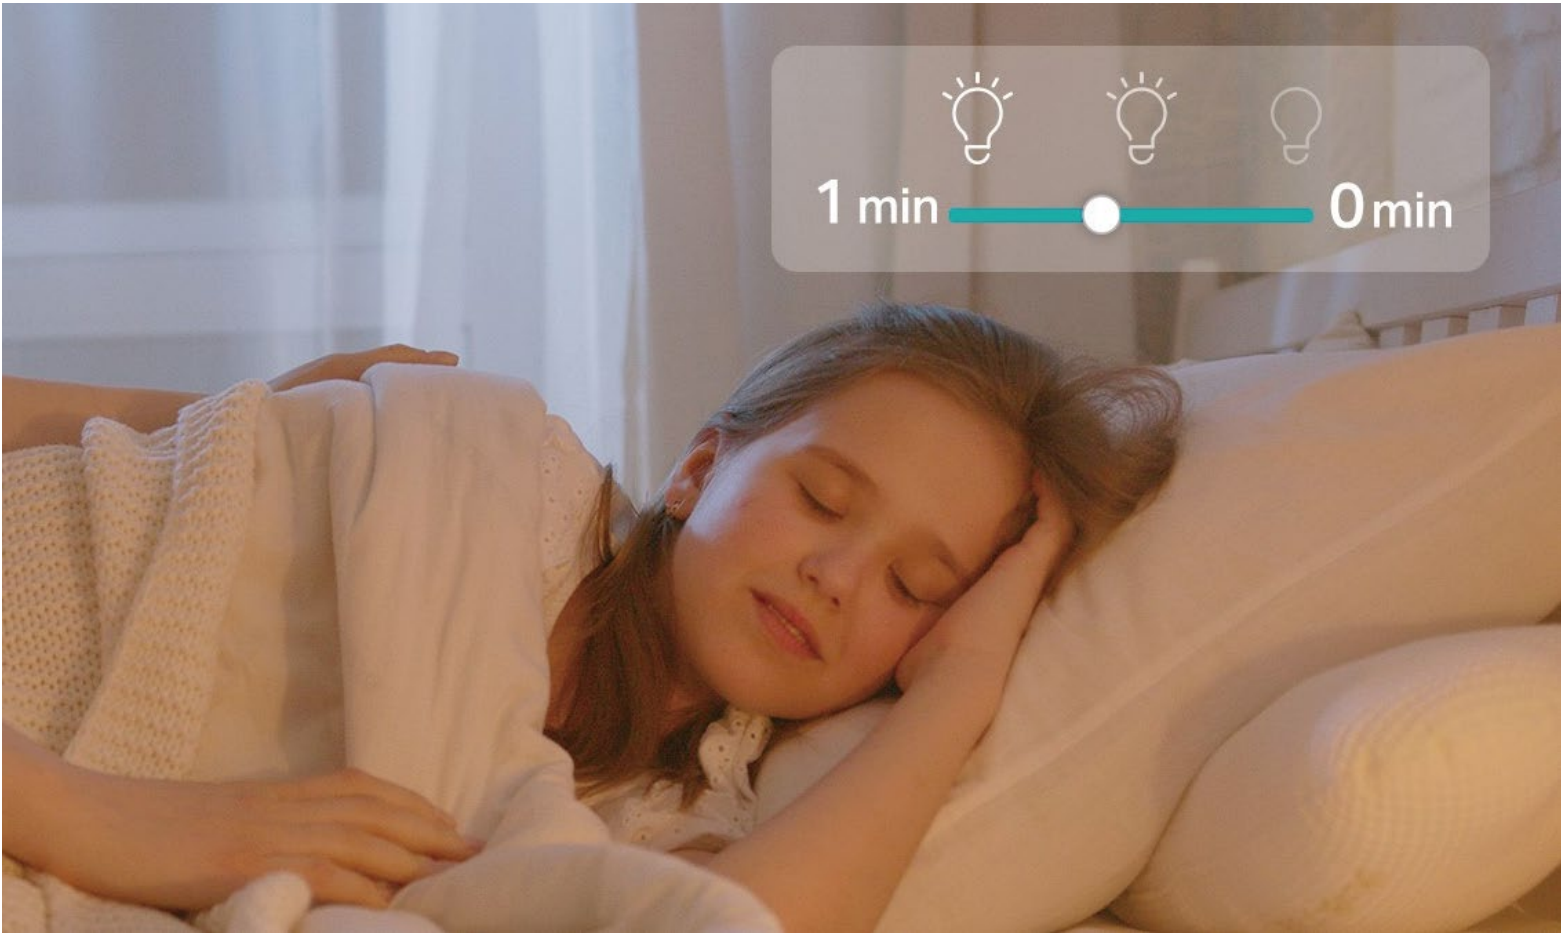

## Brightness Control

Control the brightness of your lights in any room from the wall switch, apps, or voice assistants. Set the optimal dimming range for the perfect ambience.

# Fade On/Off

Smart dimmer switches smoothly adjust lighting levels without sudden eye-irratating brightness or darkness. Fade off the lights in your children's bedroom as they drift off to sleep.

# Control from Anywhere

Control your lights from anywhere with the Kasa Smart app. No more worrying about forgetting to turn off the lights.

# Features

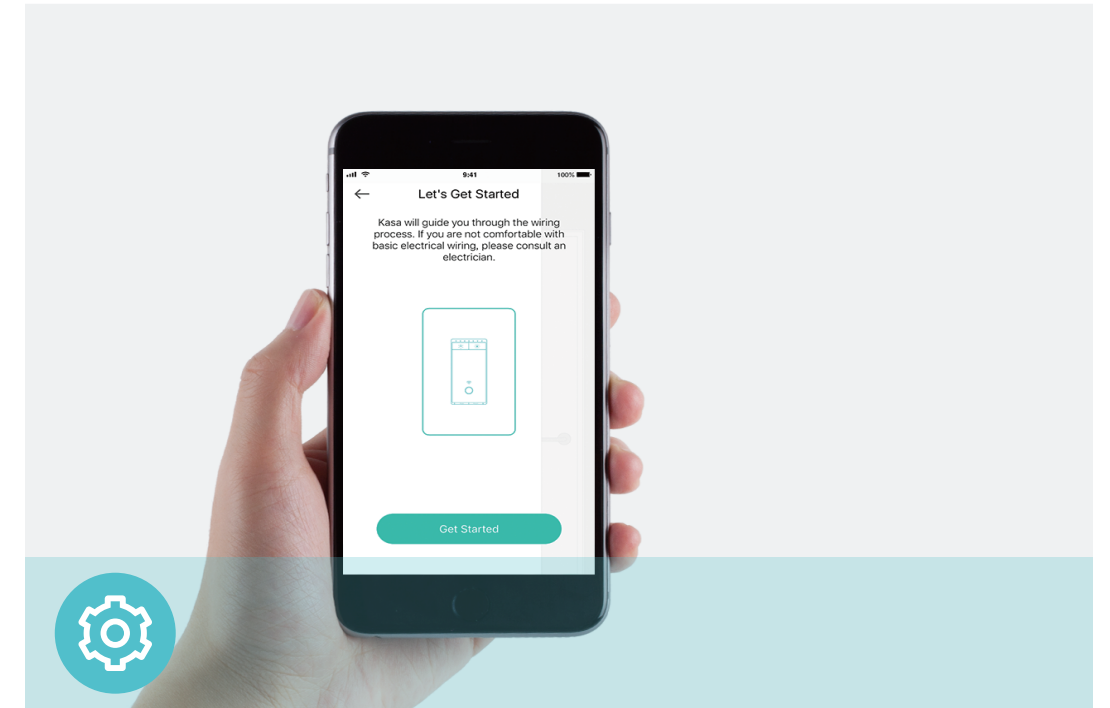

## Remote Control

- **App Control** – Control your connected devices via the Kasa Smart app, or Apple Home app.
- **Voice Control** – Use simple voice commands with Alexa, Google Assistant, or any other Matter-compliant voice assistant to conveniently control connected lights without leaving your spot.
- **Local Control** – Your connected devices in your local area network(LAN) remain accessible via the Kasa Smart app or other Matter-compatible smart home control centers, even when the household goes offline.

## Smart Features

- **Scheduling** – Use Schedules to set your smart dimmer switch to automatically turn on and off while you're home or away.
- **Set Scenes** – Group your smart dimmer switch with other Kasa devices to turn them all on or off with one click or choose a custom preset with scenes.
- **Away Mode** – Away Mode will automatically turn your connected devices, like lights, on and off randomly, to make it appear as if you're home.

## Easy to Install

- **Upgrade your Light Switch** – Designed to easily replace traditional light switches (single-pole only).
- **Guided Installation** – Kasa Smart app provides step-by-step instructions for wiring your new Smart Wi-Fi Dimmer.
- **No Hub Required** – Easily connect directly to your secured home Wi-Fi network.

# Specifications

## Electrical

- Rating: 120V~ 60Hz
- Load: 300W INC/HAL, 150W LED (TRIAC Dimmable)
- Dimming Type: Leading Edge Dimming / TRIAC Phase Cut
  - \* We suggest contacting your bulbs' support to check the supported dimming type.
- Neutral wire connection required
- Single pole switch. Not compatible with 3-way (multi-location) wiring.
- Operating Type: Electronic Disconnection
- Automatic Action: Type 1 action
- Overvoltage Category: III
- Pollution Degree: 2

## Communication

- Secured home Wi-Fi connection required
- Wi-Fi Protocol: IEEE 802.11b/g/n
- Wi-Fi Frequency: 2.4GHz
- Setup: Bluetooth 4.2\*
- Kasa App System Requirement: iOS 10 or Android 5.0 or higher

\* Bluetooth is only used for setup.
